

University of Houston – Rice University
Society of Petroleum Engineers (SPE)
Student Chapter

10 August 2011

Subject: Events for the 2011 Fall Semester
Society of Petroleum Engineers (SPE), UH-Rice Student Chapter

Industry Representative:

As the summer is coming to a close, we are beginning to plan events for the upcoming Fall semester. We would like to thank all of our sponsors from the previous semester in helping us build our chapter. Without your guidance and financial support our success would not be possible. We would like to also thank the previous officers for their hard work and guidance given to the new newly elected SPE officers.

The 2011-2012 UH-Rice SPE officers are:

President	Mikhail Alekseenko	malekseenko@uh.edu
Vice President	Evan Norcom	egnorcom@uh.edu
Secretary	Mithila Bhadbhade	mrhadbhade2@uh.edu
Treasurer	John Lapacka	jmlapacka@uh.edu
Event Coordinator	Elizabeth Johnston	eljohnston@uh.edu
UH-Rice Liaison	Fernando Ochoa	fochoa@uh.edu

We are confident that we can continue to build this chapter into one of the strongest in the region. As part of our goal to improve and grow, we are looking for sponsorships to help our finances with the upcoming events for the 2011 Fall semester.

Please browse the schedule below to see our exciting lineup of events. You are all welcome to attend the events to learn and network with our students and guest speakers. Should you want to become more involved in UH-Rice SPE and do not see an event that appeals to you, do not hesitate to contact us. We can work with your ideas to plan an additional event.

We are extremely excited for the upcoming academic semester and for our joint chapter. We sincerely appreciate the support given and look forward to forming new relationships as well as building with old!

Sincerely,

Elizabeth Johnston
UH/Rice SPE Event Coordinator
