Parking is located underground one level below ground level, and is shown by Dashed boxes on map. The best entry access to parking is off Buffalo Speedway entrance, although a second entrance is located on Hwy 59 feeder road shown with yellow triangle.

As you go into one of these entrances, look for visitor parking arrows and go down only one level to garage. Follow signs around to 5 GWP building and park just south of build in paid parking lot (Shown by red rectangle).
