Call for Abstracts – Speakers

Theme: Delivering business value through data analytics

Submission Instructions

Submit proposals for presenting advanced Data Science solutions

- **Submission link:** <https://forms.gle/KqA4k4jhhL37W5Ki9>
- **Abstract deadline is January 14, 2021**
- **Selection announcement by January 31, 2022**
- All applications must include a short abstract, biography, and photo of each speaker. An email confirmation will be sent upon receipt of a completed application. Only completed applications will be considered for review and decision-making process.
- If you need to submit images as part of the abstract, please send the abstract by email to Karin Gonzalez at karin.gonzalez@chevron.com
- Multiple applications can be submitted by speakers, but only one proposal will be selected.
- The Presenting Speaker will be the main point of contact and will receive ALL correspondence regarding the submission.
- Minor changes to a submitted abstract can be made before **February 21, 2022**. After this date, no changes will be accepted.

Data Science Convention

April 19, 2022

CityCentre Norris Conference Center, Houston

Call for Abstracts – Speakers

Theme: Delivering business value through data analytics

Proposal Guideline:

- The Presentation proposal title should be standardized with each word beginning with capital letters (title case). Do not underline any portion of your title.
- All abstracts must be a minimum of 175 words with a 450-word maximum. Do not include the title, author names, or company name in the body of the abstract.
- Abstracts suggesting commercialism in any form will be rejected. SPE has a stated policy against the use of commercial trade names, company logos, or text that is commercial in tone in the paper title, text or slides. Use of such terms will result in scrutiny by the Program Committee in evaluating abstracts and the presence of commercialism in the paper may result in it being withdrawn from the program.
- Speaker is responsible for the authenticity of the material being presented.
- The abstract should stand on its own and not refer to another work, unless associated with current work.
- All slide presentations must be computer generated and must use the Convention slide template. The slides will need to be submitted to the Programs Committee at least two weeks prior to the Convention.

Data Science Convention

April 19, 2022

CityCentre Norris Conference Center, Houston

Call for Abstracts – Speakers

Theme: Delivering business value through data analytics

Selection Process:

- The Organizing Committee will review proposals and announce the final selection of speakers by **January 31, 2022**.
- Selected speakers have two weeks to confirm their acceptance.
- If there are any changes, cancelations, or withdrawals after the selected speaker(s) has been confirmed it is the speaker's obligation to find an alternate presenter and notify the Organizing Committee Program Lead at the earliest possible time.
- No funding is available for speakers. However, we do provide a discounted rate. All speakers must register for the conference at the Presenting Speaker rate.
- All speakers will be responsible for their own travel and convention related costs if any.

Call for Abstracts – Poster Competition

Theme: Delivering business value through data analytics

General Poster Guidelines:

- The dimensions of the final poster need to be: 4 ft x 3 ft printed on hard surface that can sit on an easel.
- The poster should contain at least the following sections:
 - a) Summary
 - i. Introduction of the problem
 - ii. Highlights of literature review
 - iii. Highlights of the proposed methodologies
 - iv. Concluding remarks
 - b) Methodology: diagrams/flowcharts/schemas that clearly describe the process, images of datasets (basins, logs); machine learning workflow; pre-processing techniques used on the data.
 - c) Results: predictions of application of the scientific approach on the highlighted use-case, plots showing the progress or metrics in consideration.
- Title, authors' name, and affiliation.
